

## Audible Collections: How to Create Collections, and Add Titles to Collections

Do you know Audible has launched a helpful feature called Collections? Like Kindle collections, Audible Collections can help you manage your Audible audiobook library much better. Let's take a look at the all things you may want to know about Audible Collections.

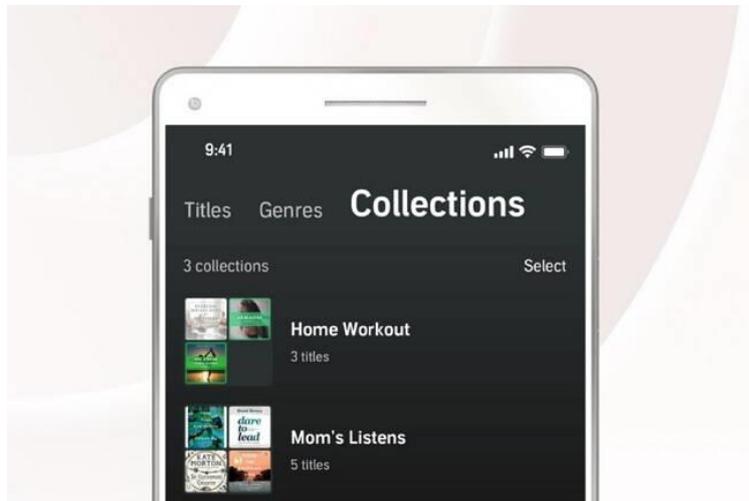

- 1. What is Audible Collections?
- 2. How to Create Audible Collections?
- 3. How to Add Titles to Audible Collections?
- 4. Suggestions for Audible Collections

### 1. What is Audible Collections?

Audible Collections is a feature that allows you to organize your library by creating folders with unique names and descriptions. You can create your own personalized folders of titles however you want. For example, listens for the kids can be put in one folder, workout titles in a separate one and relaxing listens for bedtime in another.

With Audible Collections, finding audiobooks in your large library is easier than ever. If your Audible library has grown to hundreds, or even thousands of books, you'll really appreciate this easy way to keep your audiobooks well-organized.

## 2. How to Create Audible Collections?

There are 2 ways to create Audible Collections. You can create the collections either on the Audible website or simply in the Audible app.

### 1 How to Create Audible Collections on the Audible Website?

**Step 1** Go to your [Audible library](#) in a web browser. Log in with your Audible account if necessary. Then click **"Collections"**.

**Step 2** Click **"New Collections"**

Cancel Create

**Step 4** When you go back to the Collections sector, you will find you have a new collection.

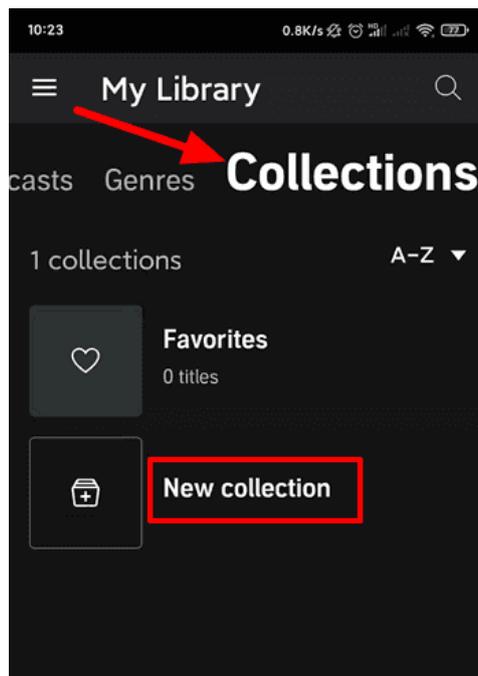

**Delete Collection:** To remove a collection, you can just click **"Delete Collection"** next to it.

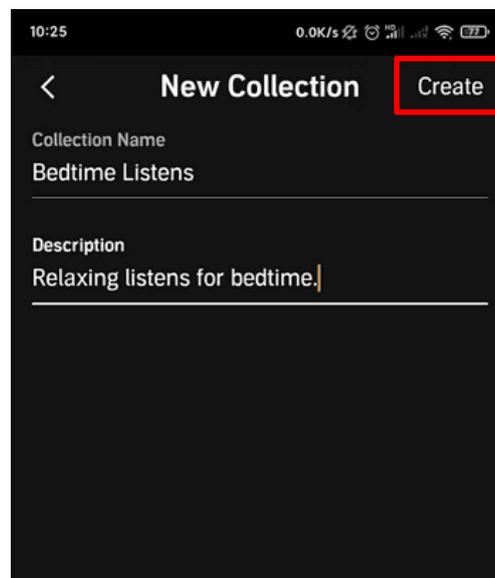

## **2** How to Create Audible Collections in the Audible App for Android/iOS?

**Step 1** Open the Audible app for Android/iOS and go to your Library, then tap on **"Collections"**.

**Step 2** Tap "New collection".

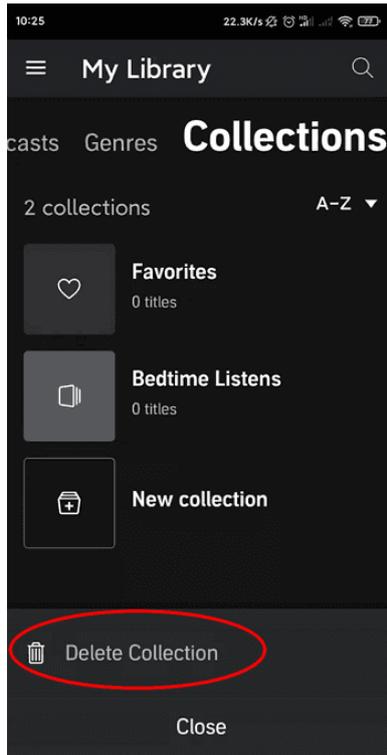

**Step 3** Name your new Collection and give it a brief description. Then tap "Create" in the upper right-hand corner.

**Step 4** You will be brought back to the "Collections" section, then you will see your new collection.

**Delete Collection:** To remove a collection, perform a long tap on the collection. Once the menu appears, tap **Delete Collection**.

### 3. How to Add Titles to Audible Collections?

There are also 2 ways to add titles to an Audible collection, on the Audible website or in the Audible app.

#### 1 How to Add Titles to Audible Collections on the Audible Website?

**Step 1** Go to your [Audible library](#) in a web browser. Then click "Titles".

**Step 2** Find the title(s) you would like to add to a collection and click "Add to" below the title.
