

Best Free eBook Cover Creators You'll Need

There are tons of great ebooks available in the market for every interested reader. Mostly, when it comes to picking your next favorite book, it's our first impression on the cover page that makes us want to purchase the book. Yes, people will judge your ebook by its cover. The importance of a book cover is so powerful that it plays a direct role in the success of your ebooks. In order to make the perfect cover for your ebooks, here are the top 4 best free online ebook cover creator services to help you design an eye-catching and striking cover easily.

- 1. What Makes a Good eBook Cover?
- 2. Why do You Need a Good eBook Cover?
- 3. Best 4 Free Online eBook Cover Creators

1. What Makes a Good eBook Cover?

The book cover is there to help you promote your book, and ultimately sell it. So what makes for a good book cover that achieves this goal? How to make your ebooks stand out from any digital shelf that's occupied by thousands of other ebooks? Well, creating an ebook cover that uses an eye-catching color scheme, simple, creative, and minimal graphics, unique and funny typography, a good title and subtitle that is clear and easy to read, and proper balance between text and negative space, can effectively catch a potential customer's eye and encourages them to explore the book further.

At the same time, when designing an ebook cover, keep in mind that the thumbnail view is the most common view of your cover. There's a strong chance that the thumbnail view is the only impression you'll have before a reader decides to see the full-size cover option and description of the book. Be sure your cover will also look good as a thumbnail image.

2. Why do You Need a Good eBook Cover?

The only purpose of a good-looking and enticing book cover is to help you sell your books, which makes a big difference in your sales and distribution. And a great ebook cover can become one of your best promoting tools, which can instantly convey the key thoughts, messages, and images that sum up your story.

Besides, the book cover is also one of the most important pieces of making you become a successful author. Just like in a bookstore, an online buyer will browse through multiple eBooks and will probably judge them by their covers, so for this reason you need to make a great first impression by creating a great cover.

Sometimes a good ebook cover can be the deciding factor in whether or not potential readers will take the time to read or purchase your ebook, so it's essential that you take the time to design a great ebook cover that stands out from any digital shelf in the crowd.

3. Best 4 Free Online eBook Cover Creators

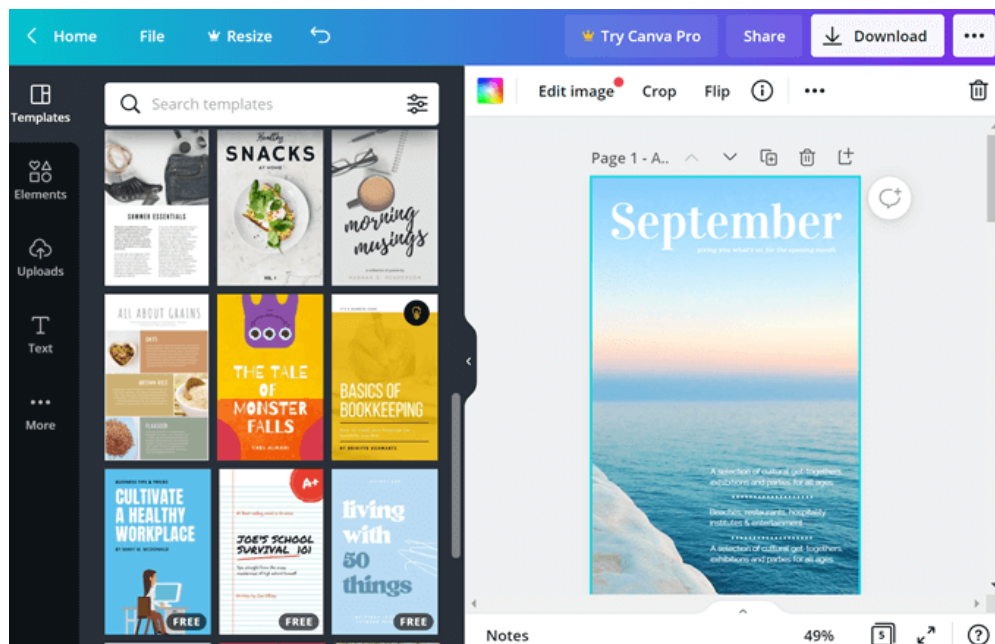

Thanks to the Internet, there are many professional online ebook cover creator services to help you design a perfect customized book cover in minutes. Most importantly, no complicated tool is required, such as Photoshop.
